Upon petition by AFSCME Council 81, and without objection from the public employer, the City of Newark, the bargaining unit of City employees currently represented by AFSCME Local 1670 is amended by severing a new bargaining unit constituted of: *All hourly, non-supervisory employees of the City of Newark in skilled trades positions.* This bargaining unit shall be represented by AFSCME Local 3919.

By agreement of the City and AFSCME, this bargaining unit currently includes the following positions, all of which were previously included in the Local 1670 bargaining unit:

Electric Maintenance Worker	Lineman 2 nd Class

AFSCME Local 1670 voted to bifurcate the bargaining unit on or about February 24, 2017, in order to create units with more closely shared communities of interest.
